The parties, Plaintiff United States of America and Defendant Diana Mayoral, hereby stipulate to jointly request that Ms. Mayoral's pretrial release conditions be modified so that she can travel to and from Modesto, California, on Friday, October 12, 2012, to attend a one-day professional training course (in the field of "dietary supervision for health or adult care facilities). This course is part of Ms. Mayoral's training to be promoted to a food service manager or supervisor in the adult care facility in which she is currently working. Ms. Mayoral's pretrial release conditions prohibit her from traveling outside the Northern District of California, thereby preventing her from attending this course, without the Court's approval. Her pretrial officer has given his approval for her travel. Accordingly, she respectfully requests that the Court grant the proposed modification, so that she can continue

1 to obtain training for management and supervisor responsibility.
